Product highlights

Easy to assemble and use

Quiet and portable.

Gentle-draw vacuum

The gentle-draw vacuum mimics baby's suckling to create a steady milk flow that requires less pumping.

Patented Let-down Massage Cushion

Five, soft petal massagers gently flex in and out as you pump and work with the vacuum to imitate your baby's suckling.

Soft massage cushions

Patented massage cushions flex in and out, replicating baby's suckling action and stimulating a fast, natural let-down.

Includes 20 Ultra Comfort Disposable Breast Pads

Unique four layered construction for ultra absorbency, comfort and dryness.

Issue date 2009-02-06

Version: 5.3.1
